ATTENTION CUSTOMERS

At the special Board Meeting on March 27, 2018 the Board of Directors unanimously agreed to make the following changes to SECTION G. RATES AND SERVICE FEES of the Tariff of the Special Utility District. The new rates will reflect on your April 2018 reading and your bill that will be due May 15, 2018.

In comparing water rates with area Water Systems, West Gregg will still have the lowest rates in this area. West Gregg SUD has not increased their rates in since March of 2013. Due to the increase in fuel, utilities, materials and other operating expenses this has forced us to increase our water rates.
